# Prapti & Rohan

The best couple in the world!

Date: 21.11.2023, Tuesday.

## Prapti

---

*Prapti was carefree, nonchalant, hesitant, the kind of girl who built walls out of casual smiles and witty comebacks. She didn't believe in grand gestures or perfect love stories. But Rohan saw through all of it. With quiet patience, handwritten letters, homegrown flowers, and the gentlest kind of love, he softened her edges. He didn't force her to fall; he made her feel safe enough to choose love. And slowly, the girl who once laughed off romance became someone who melted at late-night calls, blushes, and 'I miss you's. He turned her into a lover girl; not because he changed her, but because he loved every version of her, until she bloomed on her own.*

## This Relationship To Prapti

---

*What started as a ride home turned into the most beautiful journey of my life. You've been my calm, my chaos, my courage and my comfort. Through every thicks, every thins, every cries, and every smile, you've made me feel loved, feel like home. I'm grateful for you, every single day.*

## Rohan to Prapti

---

*To Prapti, Rohan is home. He's the first person who made love feel easy, safe, and real. With him, she doesn't have to pretend; she can just be. In him, she sees a future full of quiet love, soft mornings, shared dreams, and someone who'll hold her hand through it all.*

## INTENTIONS

---

*With Rohan, I intend to love him with patience, presence, and purpose. I want to be his calm in chaos, his comfort on hard days, and his biggest supporter always. I don't just want to know his laughter; I want to understand his silences too. My goal is to grow into the kind of girl he can rely on, someone who makes him feel safe, seen, and celebrated in his most authentic self. I want to build something that lasts; not through grand gestures, but through quiet consistency. With Rohan, I want to be real, to heal what's hurt, and to protect what's rare. Because from the very first meet, I knew; he's someone I don't want to let go of.*
